# INSPIRED BY *THE FIVE ELEMENTS*

A waterfront haven of rest and tranquility in one of Doha's most renowned spas, designed around the concept of the five elements.

Four Seasons Hotel's Spa & Wellness Centre in Doha uses the concept of the Five Elements:

**Wood – Fire – Earth – Metal – Water**

The concept states that a balance between the elements reflects the balance between the body, mind and spirit.

The five elements are reflected throughout the spa, in design, spa cuisine and treatments.

We use these elements to make you feel at ease, to treat you and to holistically care for you using a proven healthy framework to balance the elements within you naturally.
