

MILLENNIUM
PLAZA
DOHA

At the Millennium Plaza Doha you will find the perfect blend of seamless hospitality with a welcome that is always warm and genuine.

Doha is a smart, vibrant city – totally modern yet its proud Islamic heritage shines through. Our chic contemporary hotel is an unrivalled starting point for a successful business trip or a magical holiday.

LOCATION

The Millennium Plaza Doha is perfectly positioned in Doha's busy business district in Al Sadd with quick and easy access to Doha's most interesting landmarks. A short distance away is the beautiful bay, skirted by the elegant Corniche, a must for an early evening stroll to check out the romantic traditional dhow boats in the harbour. Close by, the impressive Museum of Modern Art is a cultural goldmine.

In walking distance are many luxury boutiques, electronic retailers, jewellers, global retail outlets and every type of eating establishment. There is the historical charm of Souq Waqif, Doha's vibrant market where many treasures can be found.

OUR ROOMS AND SUITES

We have catered for every type of guest with a superb choice of different rooms and suites.

For very special occasions, our 180 sqm Presidential Suite has breath-taking views over Doha and the Arabian Sea. This is a stunning apartment ideal for important business occasions, celebrations or just sheer indulgence.

Millennium Plaza Doha also offers spacious smart Executive Suites, Superior, Deluxe and Business Rooms. Our exclusive Club Rooms provide complimentary access to the Executive Lounge.

We welcome guests with special needs and have two specially adapted rooms.

RESTAURANTS AND BARS

Serving delicious food and beverages is our passion, from elegant fine dining to a cocktail in our pool bar under the stars.

CIRCLE

This lively modern restaurant has an open kitchen at its heart so you can see our chefs work their magic. Select the best from our abundant buffet of international and Arabic favourites or from our extensive à la carte menu. This is the place for family gatherings, corporate lunches or to meet up with friends.

SLICE

Discover a mouth-watering selection of creative dishes, beverages and bakery goods to eat in or take away. Its colourful ambiance and friendly atmosphere make it a lively place to stop for breakfast, lunch and dinner.

SOL

Guests enjoy a perfect al fresco experience, relaxing under the starry desert night. It is an inspirational backdrop to both casual and formal gatherings.

LOBBY LOUNGE

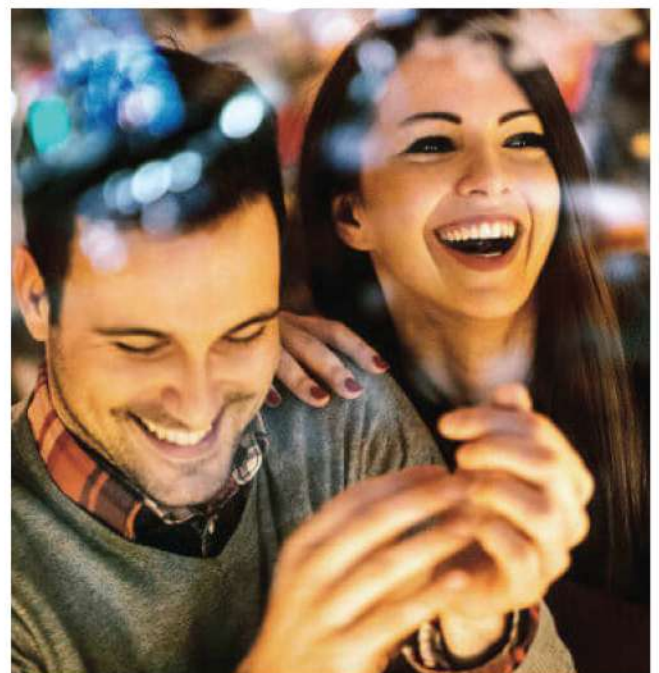

Our chic elegant lounge is the perfect place to meet friends or business colleagues in comfort. Guests can enjoy our lounge service which offers delicious classic savouries and pastries.

IN-ROOM DINING

A comprehensive room service menu including the finest international dishes and local favourites is available around the clock.

CLUB LOUNGE

Our exclusive Club Lounge is designed to be the perfect setting for the business traveller with three distinct areas for dining, relaxation and meetings. Smart surroundings, discreet service and sophisticated food and beverages make this a popular destination for our business guests.

LEISURE AND RELAXATION

Our Aria Spa is the place to leave the hustle of the city behind and relax in its tranquil, beautiful space. Our talented team of therapists guides guests through an unrivalled choice of alternative therapies, fitness and beauty treatments, selecting the best choice for each individual.

The Aria Spa offers massage and beauty treatments and has its own nail bar, sauna, steam room as well as outside pool for the ultimate relaxation and rejuvenation.

MEETINGS AND EVENTS

Our designated conference level provides 700 sqm of prestigious flexible meeting space for all types of meetings and events. Its high-class décor, state-of-the-art technology and the accomplished service of our experienced team adds an extra level of polished professionalism to each event.

The Scarlet Ballroom is a gracious elegant space which can host formal banquets, cocktail parties and seminars, accommodating up to 200 people.

For smaller meetings and training sessions, there are five meeting rooms of varying sizes all superbly appointed. Most rooms have natural day light offering the most up-to-date facilities, as digital signage, large LED TVs and video conferencing.
